General information

General information ^[1]

The municipality and town of Nowe Skalmierzyce is situated in the south of Great Poland, in Ostrów county, between two urban centres Kalisz and Ostrów. It is located by state road number 25. 15,350 people inhabit the area of 12,501 ha. Transport service is provided by the City Communication Plant Ltd in Ostrów Wlkp. and Kalisz Bus Lines as well as by the Polish State Railways and the Car Communication Enterprise. Recently, there has been opened a ring road, which helped to reduce traffic and made the investment lands more attractive. The local government can attract businessmen thanks to location and modern infrastructure. What is very important the whole municipality is covered with water-supply and power supply and partly provided with a sewer and gas system. The good administration of our municipality has been appreciated as we have been placed on a list for top hundred local governments in Poland for five times.
